pH	11
Indicative data only, not intended for preparation of specifications	

## Directions for Use

- For most jobs, dilute ½ cup of Selleys Original Sugar Soap Super Concentrate into a full bucket (10 litres) of water.
- Use a mop or cloth to clean area – a Selleys Super Cloth is ideal.
- Dilute to suit the cleaning task.
- Use neat for stubborn or in-ground marks with a non-scratch scouring sponge or cloth – a Selleys Wash Up Wiz is ideal.

## Tips

- For smaller areas or spot cleaning try Selleys Super Kleen.
- For sensitive skin, rubber gloves are recommended.
- Floors, baths, and shower recesses must be rinsed well after use.

## Storage

Store in a cool, dry place out of direct sunlight.

## Limitations

- Wipe off immediately from aluminium and brass surfaces.
- Rinse well from glass before product dries.
- Test an inconspicuous area for compatibility and colourfastness if using on clothing, carpet or upholstery.
